At a Glance

This release of e-Tag contains a number of enhancements to improve your user experience. These include:

- Agency Name Change to Texas Department of Motor Vehicles
- Internet Browser - Firefox
- Fleet / Bulk Buyers Tags
- Changes to Tags and Receipts
- Internet Tags renamed and have new allocation
- Emergency Tags eliminated
- Pop-ups now removed
- Tutorial for Wholesale Dealers
- Reports

Agency Name Change

Effective November 1, 2009, the Vehicle Titles & Registration Division and the Motor Vehicle Division became a part of the new Texas Department of Motor Vehicles (TxDMV).

- The application now references TxDMV instead of TxDOT
- Updated Support information now reflects TxDMV

Firefox for MAC and PC

Vehicle dealers may now use FireFox as their browser for both MAC and PC's when using the e-Tag system.

Fleet / Bulk Buyer's Tags

Vehicle dealers now have an option to issue Fleet / Bulk Buyer's Tags when multiple vehicles are sold to the same owner. You may now:

- Select Fleet Buyer's Tags
- Copy and Paste or Input up to 35 Vehicle Identification Numbers
- Complete any missing vehicle information
- Input Buyer's name only once
- Print all Buyer's tags and receipts created at one time

What would you like to do?

DEALER'S REPRESENTATIVE

PLACE THIS DEALER'S COPY IN SALES FILE. It is part of the sales records required to be kept and subject to inspection by the department. Verify all information before distributing copies.

BUYER is required to keep their receipt in the vehicle until vehicle is registered and metal plates are placed on the vehicle.

Internet Down Tag

The Internet Tag now appears as Internet Down Tag. The tag calculation now allows for a month's worth of Internet Down Tags based on the highest number of vehicles sold in a single month since the application was implemented.

The application now automatically replenishes expired Internet Down Tags so that you may create new tags. The system considers Internet Down Tags as expired if they remain unassigned to a vehicle within 365 days from creation. Use the Internet Down Tag any time that system access is unavailable.

Emergency Tags Eliminated

There is no longer an option to create or assign Emergency Tags. Please assign any Emergency Tags already given to a buyer and void any unused Emergency Tags prior to this distribution. The application will automatically void any existing non-assigned or un-voided Emergency Tags at this distribution.

Note: After this release, use the Internet Down Tag for any occasion that system access is unavailable.

Removal of Pop-Ups

The application no longer opens a new window (pop-up) when generating tags, receipts, viewing the tutorial, or answering password challenge questions.

Wholesale Dealers Tutorial

The e-Tag tutorial now includes a new tutorial for wholesale dealers.
