

New Online Licensing System (eLICENSING) Coming Soon

Texas Department of Motor Vehicles
HELPING TEXANS GO. HELPING TEXAS GROW.

This message contains information applicable to all motor vehicle licensees and salvage dealers regulated by Texas Department of Motor Vehicles (TxDMV). Please review and distribute as appropriate.

Coming soon, you will be able to apply for, renew, or amend licenses online. The Texas Department of Motor Vehicles (TxDMV) is replacing its current paper-based licensing system with eLICENSING, an online self-service hub for all motor vehicle and salvage licensees operating in Texas.

eLICENSING will provide many user benefits, including 24-hour access to licensing information, the elimination of paper processing, the ability to submit license applications and payments online, a guided application process facilitating faster approvals, and the ability to track the progress of submitted applications.

TxDMV will provide instructions and other support resources to help you access and use the system as the release date approaches. **Licensees must have an email address on file with TxDMV to receive important updates and use the new system.** Licensees can receive more information by emailing TxDMV at MVDLicensing@TxDMV.gov, calling 1-888-DMV-GOTX (368-4689), or visiting our website at www.TxDMV.gov/dealers.

Sincerely,

Daniel Avitia

Application for New eTAG Account

Who Should Submit This Form

 Include this form with your new license application.

OR

 If you have an application in process, complete this form to sign up for a *new* eTAG account and provide your work item number.

 Work Item or License Number

The eTAG system is designed to make it easy for you to process dealer tags and provide retail purchasers with temporary registration tags throughout the state. **Texas law requires dealers to issue one temporary buyer's tag to a person who buys a vehicle.** The temporary tag is issued by the state, through a web-based program called eTAG. In order to access and use the eTAG system, you must have internet access.

To establish an eTAG account, you must designate a system administrator who will be the contact between TxDMV and your dealership. The administrator will also be responsible for providing other employees with the rights and privileges to use the eTAG functions. You may limit this authority to the system administrator or expand it to additional employees. You may also assign one person to be the system administrator for multiple dealer licenses.

Using the table below, identify the designated system administrator for your dealership and return this form to TxDMV. Upon approval of your license, your designated system administrator will receive an email with a User ID and a separate email with a password, both of which will be necessary to access the eTAG database.
